

Product Information Sheet

Description: A mild, perfume-free and dye-free non-greasy after-work conditioning cream to help maintain healthy skin and avoid dryness.

Usage: For use at the end of each work period to moisturise the skin whilst natural oils are being replenished. Suitable for use on dry, sore, chapped or normal skin.

Method of Use: Apply one dose to back of hands first and rub hands back to back then palm to palm and in between fingers. Ensure hands are clean before applying.

Feature	Benefit
Perfume-free and dye-free formulation	Reduces the potential for allergic reaction and skin irritation.
Non-tainting to food	Suitable for use in any environment where food is being handled.
Non-greasy formula	Quickly absorbs into the skin to encourage appropriate usage without affecting dexterity with hand held tools.
Contains glycerin, allantoin	Excellent matrix of emollient and conditioning ingredients to help promote good skin condition.
Environmental Choice Australia Certified Product	This product has been independently certified as meeting the requirements of Good Environmental Choice Australia Shampoos and Soaps Standard
Anti-irritant properties	Helps prevent irritation from moderately aggressive substances. Soothing and moisturising.
Insulates and hydrates skin	Helps the skin's natural moisture to be retained and promote healthy skin.
Silicone-free formula	Suitable for use in paint and bodyshop areas.
Compatible for use under gloves	Can be used when wearing latex or nitrile gloves to help keep the skin in good condition.
